### GLEN COVE TO HANDZARRA STAKE FOR CONSISTENT.

#### FILLY BEATS WILD MINT.

#### Three Favorites Score Brackets at Brighton Beach.

An intermittent breeze from the sea made the sizzling caldron into which the July sun transformed the Brighton Beach inclosure vesterday almost bearable, and as three heavily supported favorites won the racing folks had neither an

unprofitable nor an unpleasant time of it. The success of F. B. Van Meter's good filly Handzarra in the renewal of the Glen Cove Handicap, at six furlongs, was not wholly anticipated, and with the exception of the immediate stable following was not profitable. Handzarra, with 106 pounds, was in receipt of scale weight from Ivan the Terrible, Wild Mint and Zesia, and the public made Mr. Miller's filly favorite, although Wild Mint received considersble support at prices ranging around threes.

The closing price against the winner was 7 to 1. Burns rode the filly in his usual bustling style and kept her going from start to finish. Those who waited for her to come back waited in vain. She remained in front and won by a length from Wild Mint, with Incantation third. Hildebrand, on the favorite, did not excite any pronounced

enthusiasm by his rid, and many were inclined to criticise him for the defeat of the filly.

The best exhibition of those qualities which so far toward making a good racehorse was given in the last race, when Sidney Paget's Kinstydale, which has disappointed his followers so many times, because of his inability to get away from the post, be.t a lot of two-year-olds at six furlones.

Kurlongs.

Kinleydale was slow to get away, as usual, and after the first eighth pole had been passed his followers abandoned all hope. He was far back in the ruck and seemed unable to improve his position. In the stretch, however, he settled down to business and overhauled the leaders at every jump. He made Aviston let go and had a length between himself and Blair Athol when the deciding post was passed.

deciding post was passed.

In the opinion of many critics, this race stamps the son of Kinley Mack and Berriedale as a high class colt and one that must be reckoned with ever a distance of ground.

Out of Reach and Race King had a tussic well worth watching in a handicap at one and one-eighth miles. The former, with 110 pounds, conceued two pounds by the scale to the son of Tenny, and was made a decided first choice in the betting.

Rounding the turn into the stretch Race King smade his bid, and, running up to the favorite's throat latch, held on like a bulldog. The latter would not let go, however, and at the finish had something to spare. At post time 2 to 1 was the best price obtainable against Out of Reach.

The defeat of The Southerner in a selling race at one and one-quarter miles was a hard blow to the plungers. He was sent to the post at 20 to 15 on, and never gave his backers a moment of hope, finishing behind Alwin, Hippocrates and Buttons. Alwin, the winner, was backed from twenties to fifteens.

#### PADDOCK PARAGRAPHS.

Indian Star ran away in the first race yester day, and it took little Murphy all of a mile to stop him. In the same race Tweedle tried to get away from Burns, but did not have much luck.

The stewards of the Brighton Beach meeting called J. L. McGinnis and George Hill before them yesterday and reprimanded them for abusing each other in a seiling race quarrel. Alwin, witness of the third race, was bid up

\$3,500, and was bought in at that figure by A. L.

Frank O'Neil, the well known jockey, will marry Miss McCafferty, a daughter of Tony McCafferty, to-night

NATIONAL LEAGUE STANDING.

The Giants lost to Pittsburg at the Polo Grounds yesterday, before a big crowd, by a

score of 2 to 1. Slowness in base stealing, which has been responsible for many defeats this season, played a good part in the downfall. In the seventh inning the Giants had an excellent opportunity to tie the score, but the best

turned out to be the only one. Mathewson pitched for seven innings, and was then compelled to retire to the beach, owing to Strang going in to bat for him. McGinnity took his place.

they were able to do was to score one run, which

In the third inning Mathewson had his hand slightly hurt when he was run into by Clark. In this inning the visitors made the first run on two singles and an out.

Gibson, in the fifth tinning, sent the ball to the centre field ropes for a home run. The score:

# AMERICANS WIN DOUBLES.

WAY TO CUP NOW CLEAR

# Holcombe Ward and B. C. Wright

Beat Australasians Handily. London, July 18.—To the surprise of a large gallery at the Queen's Club to-day, Holeomber Ward and Beals C. Wright, the American rather easily defeated Norman E. Brookes and Walter Dunlop, the Australasians, in the final

tional lawn tennis cup. This settles the question of the challenger for the cup, play for which commences on July 21 at Wimbledon. The matches in the single to-morrow between the Americans and the

of the doubles for the Dwight F. Davis Interns.

Australasians will not change the result In to-day's play the Australasians showed unexpectedly poor form, and the set lost by the Americans was due to careless play and not to any brilliancy on the part of the opponents

Brookes plainly showed the effects of yesterday's match with Wright, and did not give his partner any material assistance. On the contrary. Wright played at top form.

Both of the Americans avoided giving chances except in the third set, which they practically gave away. The summaries:

Holcombe Ward and Beals C. Wright, United States, beat Norman E. Brookes and Walter Dunlop, Australasia, 6-4, 7-8, 5-7, 6-2, No matches of importance thus remain to be

played by the Americans until they meet the English team, consisting of the Doherty brothers, S. H. Smith and Frank L. Risiey later in the week.

The English team to defend the cup is as fol-

lows: Singles, S. H. Smith and H. L. Doherty, doubles, H. L. and R. F. Doherty. Frank L. Risley will be held in reserve in case of acciward. Wright and Larned will probably play in the singles for the Americans, and Ward and Wright will be the American representatives in doubles, with Clothier, like Risley, held in re-serve in case of accident to the others.

Fincks, of the Country Club of Westchester, played against Richard Stevens, who won the match in straight sets, 6-5, 6-3. Robert F. Huntington was deleased by George L. Wrein, fr., in two sets, 6-2, 7-5. Considerable interest attaches to Whitman's entry in the present tournamfni, as it is said than he intends to again try for the national honors at Newport this year, and is coming into his remarkable form of a few years ago, his play years and yet w.h. Fell supporting him Whitman was unable to win the match.
